Description

Main (Lower) oven features

- A Energy Rated
- 71L Main oven capacity
- Grey enamel interior

*Cooking modes*

Heat boost function to cut down the preheating time of the oven.

CircoTherm® Fan function for even cooking results

CircoTherm® Gentle for one shelf cooking

Full area grill

Circo-roasting Alternates the heat between the grill and rear elements with the fan circulating the heat, great for larger meat joints and crisping up food

Top and Bottom (Convention) for cooking on one level without the fan

*Cleaning / Additional Modes*

Light only, handy when cleaning the oven to see what you are doing and can be used for slow proving of bread.
