Roberts Max Internet / DAB / FM Bluetooth Radio - Navy Blue (RamblerMaxNB)

Taking its styling inspiration from the classic Roberts radios from the 1970s, this radio is the top of the range in the Rambler range and features WI-FI connectivity that offers reception via your broadband connection rather than land based FM and DAB transmitters, making it ideal for poor reception areas. Being an internet radio, you are not limited to your local stations, radio stations from every part of the world are at your fingertips. Offering superb build quality featuring bamboo panels and a brushed aluminium grille Best of all, it does not require an app or smartphone to work, all the controls are on the radio.
