Description

- Suitable for 3 to 4 Bedroom homes
- Smart humidity control monitors the previous 24 hours humidity levels in your home, by doing this it can react quickly and this helps make it up to 30% more energy efficient compared to a manual humidity stat
- Timer mode from 1 to 8 hours
- Target humidity mode, overrides the automatic smart functions and lets you set a humidity level target.

- Laundry drying mode - ideal for speeding up the drying of clothes on an airer
- 2.5 L water tank with automatic cut off
- Max 18 litre extraction over 24hrs (Based on a room temperature of 32° and 90% Relative humidity)
- Works down to 4° ambient temperature
- 190W
- 2.1 meter flex
- Made in UK
- Model number DJ418RWH
