SIEMENS

SIEMENS

Our most efficient freestanding dishwasher from Siemens, with an impressive A energy rating on the Eco cycle. It also features Zeolith drying, A natural mineral that absorbs moisture during the drying cycle and converts it to heat, this hot air is then used to help dry the load, even plastic items. The upper basket has been designed with glass wear in mind, it features antislip surfaces and six mini jets as well as the regular spray arm to thoroughly yet gently clean your glasses. Top it all off the top level variodrawer has been improved to offer more space and making easier to accommodate cutlery with thicker handles.
